If you did not get a tag off of our "On Point for College Tree" last weekend, there are still tags remaining in the gathering area. On Point is a local nonprofit agency that opens the door to higher education for low-income youth who have a desire, and the will to continue their education. Last year we filled 16 student backpacks with everything from sheets, to towels, to school supplies. Let's see if we can BEAT that number this year! Please place your purchases under the tree by the weekend of August 8th and 9th. (Only new items, please.)

Family Perspective from the Family Life Education Office (a Hope Appeal agency) *In today's gospel, Jesus tells us: "Do not work for what perishes." Give your life to what endures such as the family history you are creating, the love and mutual respect which bonds you together, the memories you share and the forgiveness generously given. These are the true treasures that are worth working and dying for.*

DID YOU KNOW?

For every dollar taken in by Planned Parenthood family planning clinics from pregnant women, over 93 cents was used for abortions, and only 7cents for prenatal care. Planned Parenthood committed one out of every seven abortions in the United States. They are the largest abortion conglomerate world-wide. (Dr. Wilke)

After years of promoting "safe sex" to young people there are now at least 30 sexually transmitted diseases among 12-18 year olds, as opposed to 2 in 1960. (The Caleb Report)

Susan B. Anthony, Elizabeth Cady Stanton, and other early suffragettes strongly opposed abortion and viewed abortion as an exploitation of women. (Feminist for Life)

Just a reminder that we have gluten-free hosts available for those that need that accommodation. They are approved by the Celiac Association and the United States Bishop's Conference. Simply come to Father Brian's line at Communion time.

A MARRIAGE MOMENT

"Live in a manner worthy of the call you have received, with all humility and gentleness, with patience, bearing with one another through love..." (Ephesians 4:1-2)
Enough said. Make this true today

THE GLENMARY SISTERS

were founded in 1941 by Father William Howard Bishop and have been serving as living examples of Christ's love in action in the rural, small town mission areas of America for over 60 years. Many Americans do not realize the tremendous amount of spiritual and material poverty that exists right here in the US.

The Glenmary Sisters minister to all God's people regardless of their race, creed or lifestyle through compassionate outreach and ecumenical efforts. Sister Sharon Miller will be at our parish the weekend of August 8th and 9th to tell us more about their ministry. She will speak at each Mass throughout the weekend. If you would like to learn more about the Glenmary Sisters, please visit their website at www.glenmarysisters.org.

Biography of Sister Sharon Miller

Sister Sharon is originally from Louisville, Kentucky. Having joined the Glenmary Sisters in 1992, she was missioned at the formation house in Livermore, Kentucky for her first two years. In 1994, she moved to Providence, Kentucky to help open a new mission in that area. Since the fall of 1996, she has lived in our missions in Owensboro, Kentucky; Millen, Georgia; and Caruthersville, Missouri.

Sister Sharon is the community president and vocational contact for persons wishing to join the community. She made her Final Profession on May 9, 1998, and enjoys walking with women as they discern God's call in their lives.

Sister has a deep love for children and the mentally challenged. In her free time she enjoys hiking in the woods, fishing, camping, and other forms of outdoor recreation.

St. Charles Food Pantry

It's that time of year again! School supplies for all ages are needed. This is a good time to take advantage of the wonderful sales on pencils, crayons, paper, etc.
