This past Sunday 42 high school students and 8 adults met at Alverna Heights for our Confirmation 2 Retreat. The retreat was to focus on Gifts – gifts we bring to a community, Gifts from God as promises and Gifts of the Holy Spirit. What a gift the day was!!! We had perfect weather, amazing Peer Ministers and Teachers, great food & fun and a setting on top of Green Lakes park at Alverna Heights, a retreat run by the Sisters of St. Francis. The day started out at 9am bright and early and ended at 6pm. In those hours, we talked about Community, God's Promises, our Commitments, Prayer and the Gifts of the Holy Spirit. We celebrated Mass together, the greatest prayer – we prayed the Divine Mercy Chaplet out in the glorious sunshine, we listened to amazing witness stories from our Peer Ministers and teachers – it was all we could ask for and more. A huge thanks to Fr. Brian for coming out to Alverna to say Mass after a busy Parish morning, to the adults who gave up this perfect day to spend with our teens: Aubrey Condon, Christopher Hoffman, Mary Kortright, Sue and Neal Rader and Christine Werbeck. Thanks to our amazing Peer Ministers, our Juniors and Seniors – they really run the retreat with a little help from the adults. I know I say this every year, but I really mean it! This was by far one of the best retreats to date! Thank you to all the parents who have supported this program throughout – we talked about your promise to raise your children in the faith...we all thank you for seeing this promise through. Please continue to pray for our candidates as they get closer to their Confirmation on Divine Mercy Sunday, April 3<sup>rd</sup> at 2:00pm at St. Charles with Bishop Cunningham.

## RESPECT LIFE

Gianna Jessen, who miraculously survived a saline abortion, is a powerful, living testimony to the awful realities of the abortion industry and the hypocrisy of the abortion rights movement. "If abortion is about women's rights, then what were mine?" Jessen asked. "There was not a radical feminist standing up and yelling about how many rights were being violated that day; in fact, my life was being snuffed out in the name of women's rights."
