God reveals himself to us through the Bible. We come to know Him and ourselves better when we study the Word. Sister Brigid O'Mahoney and Father Brian break open the meaning of Scripture and how we can apply it to our lives. The next meeting will be June 17th. 9-11am in the Media Room.

Bring a bible and a friend! We'd love to have you join us!

Respect Life

Since the beginning of creation it appears that God had a distinct role for men and for women as is pointed out in Genesis 1:27-28. "God created mankind in his image; in the image of God he created them; male and female he created them."

Why aren't women celebrating that God created them female? Our culture has us competing with males rather than enjoying our uniqueness. God entrusted to us the development of all humanity. Only women can bear children and are blessed with helping God bring more souls into his heavenly kingdom. All we need to do is look at Mary, the mother of Jesus Christ, the Son of God, to realize the immense dignity God has bestowed on women.
