Respect Life

To be loved—this is the most wonderful thing that could happen to any of us. The longing, the hope of being loved, of belonging to others: these are basic needs and desires of the human heart. Written into our human nature is the need to be seen, to be noticed as special, to be appreciated and loved. Every human being is created as a gift, to be given and received in love. Yet so often, there is one who will not receive that gift. This void can create a weariness and an emptiness in our hearts and we can find ourselves wondering, "Do I have something worthy of offering?"
