# A Prayer for Our Students

Dear God,

Thank you for the gift of education in every form. As our children prepare to start a new year, may confidence be their foundation, may grace be their guide and may hope be their compass toward a bright future. I pray they would have eyes to see the needs of those around them and a heart to love well. May they face each day with positivity knowing that no matter what comes their way, they don't have to face it alone. In Jesus' name, amen.

Respect Life

The pro-life countries of Latin America- that are deeply rooted in the Catholic Faith- are facing an all out assault by the international abortion lobby.

Multi-billionaire George Soros has pledged a portion of his fortune specifically toward overturning pro-life laws in Latin America through his Open Society Foundation. And Soros is working hand in glove with Planned Parenthood on abortion advocacy.

So-called defenders of human rights like Amnesty International and the United Nations are pressuring Latin American governments to legalize abortion- right alongside International Planned Parenthood Federation and other organizations that profit from killing babies.
